Engage is Offering a Free 30-day Trial for the USFederal360 Premium Package

Engage has 500 concurrent seats, offered for up to 10/agency for 30-day trials. Because USFederal360™ is based on Microsoft Dynamics CRM 4.0, it can be integrated with the Microsoft Outlook email client giving users access to your organization's data from software they already use every day.

USFederal360™ also ties in with other familiar Microsoft products, like Excel and Word. Familiar interfaces spur user adoption, leading to a more streamlined implementation and immediate results.
